

Learning Challenge Homework – Year 3, Spring 2 -Why is the Mediterranean popular?

English/Geography	Art	Science /Computing	Design & Technology	Outdoor Learning
Write a short story about an adventure to a country in the Med! Think carefully about the plot, setting and characters.	Make your very own beach scene. This could be a painting, collage, and drawing, material or made through sculpture.	Test different items in your house and discover if they are magnetic! Write these up in your homework book.	Design and make your very own mode of transport – this could be an aeroplane or cruise ship. You could use bits of card, wood and fabric.	Explore and visit a woods/or outdoor area and create your very own map of where you have been.
Create a bi-lingual dictionary. Research key vocabulary. This can be in a language from the Med. e.g. hello = hola!		Make a parachute and test dropping it. You could even try egg dropping! Materials that would be useful are: cupcake cases, string, plastic bag and bits cardboard.		Discover and know your trees. How many different trees can you find and name. Try sitting underneath the tree, what sounds do you hear?
Make a fact file about any country in the Mediterranean. Look online and in books to discover your facts.	Make your own passport so you can travel to the Med! You could even create a plane ticket too!		Design and make your very own Mediterranean menu! Be as creative as you like!!	Come up with your very own game that can only be played outside. Try playing the game with friends or family. Make the game as fun and active as possible
Write a review of a visit to one of the countries in the Mediterranean. Include any photos you may have of your own experience.		Using PowerPoint or word, make an E Safety poster. Find out the important facts about staying safe online.		Grow your own Have a go at growing your own fruit, veg or herb in your garden!
Make your own travel brochure to persuade me to want to visit the destination!	Discover and research artists from the Mediterranean and create a piece of art based on that style.	Using a computer, create a PowerPoint with facts about the Mediterranean. Think about the countries, weather, ocean, food and culture.	Research famous designers that have had an influence on the world we live in today. Design your own invention idea!	Draw a plant outside and compare it to a plant that grows in the Mediterranean. Think about how they are different.

One piece of learning challenge homework must be completed each week ready to be handed in on FRIDAY in your Home Learning Book. This said we would also like to see pieces of creative homework. Please feel free to make and create things that cannot be recorded in your book! This homework should take a minimum of 30 minutes.
