

The Bishopswood Schools Federation

Primary Sports Funding Spending allocation 2018-2020

Main aims & aspirations:

- To deliver quality sports sessions for all pupils
- To develop greater teacher expertise and confidence in teaching sport
- To promote more active engagement in sport/physical activity at lunchtimes
- To offer a wide range of after school sporting clubs accessible to all
- To improve the standard of our PE resources
- To ensure that the taught curriculum is well planned and offers the children a broad and a progressive experience
- To improve our grounds in order to promote greater use of the outdoors and a greater focus on physical development across a range of curriculum areas.
- To develop pupils' self-assessment on key taught objectives

School improvement Plan linked targets:

Curriculum

- Ensure consistent use of LO and SC in all subjects
- Ensure teaching is as strong in foundation subjects as English/Maths
- Ensure foundation marking and assessment is more meaningful- linked to self and peer assessment

Metacognition

- Revisit the impact of metacognition on learning
- Review which strategies promote metacognition
- Embed metacognition into planning and pupil self-evaluation

Personal, Social Development & Behaviour

- To increase the impact of pupil voice on whole school life
- To forge greater links with the local community to enrich the children's learning experience

Leadership & Management

- To continue to develop foundation subject leaders ability to not only monitor their subjects but to also have impact on the quality of teaching and learning of their subject
