

Year 1 – Autumn 1 – Homework Grid

Choose one of these things to do once a week and bring it in in so we can display it on our Home Learning Board!

Holiday Fun

We would love to find out what you have been up to in the holidays!

Why not draw a picture, bring in a leaflet or a photograph to tell us all about your holiday adventures. **Where** did you go? **Who** did you go with? **How** did you get there?

Teddytastic

We are looking at Teddy Bears and reading lots of books involving them!

Can you draw a picture of your favourite teddy bear?
Have a go at labelling the parts of your teddy; head, eyes, etc.

Toys, Toys, Toys

Can you use junk modelling or construction to make your own toy? What joining techniques have you used? You can bring in your model or take a photograph to share with everyone.

Play outside!

Can you play outside with toys? Where could you take them? On an adventure in your own back garden? Take a photo, write something about it or simply tell us what you got up to.

“Terrific Toys” Does a toy have to be shiny and new to be worth playing with?

Let's investigate!

If you are visiting with older relatives then can you ask to see some of their old toys?
Can you take a photo of them or draw them?
What is the oldest toy you can find – in your own house or your relatives?

1,2,3,4,5 ...

Can you practise counting and writing your numbers to 20? Make sure all the numbers are the right way round! Maybe you could make your own number line too!

PhonicsPlay.co.uk

This is a great website to play on to help you practise your phonics and reading. Challenge yourself on the free games such as 'Obb and Bob', 'Buried Treasure' and 'Pick a Picture'.
Have fun!

Write a list!

Write a list of all the toys you have at home and draw a picture of your favourite. Can you tell us why it is your favourite toy?

These are suggested ideas. If you or your child has a different idea, have a go! Most importantly, have fun.

Remember your spellings, reading and Numbots.
