

## Year 6 Homework Grid - Autumn Term 2

Every week one piece of homework needs to be completed. This should take approx 30 mins.

SCIENCE		WRITING		GET CREATIVE	
<p>Write a poem about light - NOT an acrostic poem though!</p> 	<p>Draw a diagram of the inside of the eye - make sure you label it.</p> 	<p>Write a biography on someone who is your hero.</p> 	<p>Write an explanation of how to play your favourite board game.</p> 	<p>As Autumn turns to winter, make a warming meal or treat at home - what was your recipe and was it delicious? Send photos!</p>	<p>You are a Viking, about to leave for an overseas voyage - what will you take with you? Write/ draw your kit list.</p> 
<p>Shadows - how do they "work"? Draw/write an explanation</p> 	<p>Make or draw your own sundial - how does it work?</p> 	<p>Write your own leaflet about your favourite holiday destination.</p> 	<p>Write a recount of your experiences of PGL. <i>One will be picked for the year book!</i></p> 	<p>Create a positivity poster based on the idea of You Are Awesome!</p> 	<p>Create a new version of your favourite book - front cover, title and blurb.</p>
