Homework Grid – Year 2 – Autumn 2

Design a microhabitat for a woodland creature. Draw a picture and explain why you have chosen each feature.	Imagine you were packing a suitcase to visit Australia. What would you take and why? Draw pictures and label to explain.	Design a board game with different Australian animals or habitats as the theme. You could play it with your family or bring it into school to show us.
Using a map, can you label the 7 continents and 5 oceans of the world? Colour each continent a different colour to show them.	Prepare a weather forecast (like on TV) to share with your classmates. You can film it and email it to the office if you wish!	Create an Australian themed word search for a friend to complete.
Go for an Autumn walk and collect objects to make a natural picture.	**Would you rather live in Hampshire or Perth?** 	Research an animal that lives in Australia. What do they look like? What do they eat? Where do they live?
Practise counting forwards and backwards in 10s from any number other than 0. Ask your family to challenge you!	Create a picture in the style of aboriginal art. What could you use to create the dot effect?	Draw a picture of the Australian flag. Can you find out why it has stars on it?
Practise your handwriting. Concentrate on forming your letters correctly. Think about the kinetic handwriting families to help.	Look at pictures of didgeridoos and listen to the sound. Design, make and decorate a didgeridoo using aboriginal decorations.	Research famous landmarks in Australia. Which would you rather visit? Create a fact sheet or poster.

These are suggested ideas for one homework a week. If you or your child has a different idea, have a go! You can also use Numbots or Topmarks/ICT Games websites for helpful online games. https://ictgames.com/
