

# Homework Grid Autumn 2 – Who were the first people in Britain?

| Research & History | Art & Creativity | Design & Make | Writing | Maths |
|---|---|---|---|---|
| **Artefact Expert**<br>Write a list of artefacts from the Stone, Bronze and Iron Ages with a short description. | **Cave Painting**<br>Create your own paint by crushing berries, grass, leaves and other natural materials. Use the paint to create a cave painting that tells part of your life story. | **Build Stonehenge**<br>Can you make a model of Stonehenge? You could use mini boxes such as little cereal boxes or anything else you think would look good! | **Stone Age Survival Kit**<br>Imagine you can only take 10 items with you to live in the Stone Age. Draw or list your items and explain why each one would help you survive. | **Stone Age Counting**<br>People in the Stone Age used marks when they were counting. Create a tally chart of objects around your home (toys, books, shoes, teddies, games etc.). Present your findings using tally marks and write three facts about your results. |
| **Then & Now**<br>Compare what life is like today to what it was like in the Stone Ages What is the same? What is different? Which age would you prefer to live in? | **Cave Wall Art**<br>Turn a piece of paper into a cave wall by scrunching and painting it brown or tea-staining it. Then create your own cave paintings showing an important event from your life, just as Stone Age people told stories through art. | **Design a Mammoth Shelter**<br>Imagine you are a Stone Age child and need to build a shelter. Draw and label your design.<br>Explain: What materials you would use? How many people it could sleep<br>Why it would keep you warm and dry | **Stone Age Comic Strip**<br>Create a comic strip of a typical day in the Stone Age. | **Measure like a cave child!**<br>Use natural objects like sticks and rocks to measure how long objects are. |
| **Stone Age Detective**<br>Create a Venn Diagram of modern tools, Stone Age tools and tools that were created during the Stone Age that we still use today. | **Stone Age Fashion**<br>Invent an outfit for a cave man/woman thinking about the materials that would have been available. Remember to use adjectives to describe your outfit. | **Stone Age Roundhouse**<br>Can you make a 'Stone Age' round house and be a cave child? You could make it in your garden or build it out of old sheets in your house. Take pictures of you in it, if you're able to. | **Survival Kit**<br>Imagine you can only take **10 items** with you to live in the Stone Age. Draw or list your items and explain why each one would help you survive. | **Stone Age Multiplication Art**<br>Create a piece of **Stone Age artwork** using repeated patterns linked to times tables. E.g. Draw 4 groups of 6 handprints = 24 handprints, draw 5 groups of 4 animal footprints = 20 footprints<br>Label each group with the matching multiplication number sentence. |

Each week, choose **one homework challenge** from the list to complete and bring it in by **Monday**. You can stick your work into your **Green Home Learning Book**, but don't forget that some of the best projects might not fit inside! Models, artwork, photographs and creations are all welcome, so let your imagination run wild. You only need to complete **one challenge each week**, but if you're feeling inspired, you're welcome to do more! And don't forget….

📚 **Read at least 3 times each week** 🔤 **Practise your spellings for Friday** 🦕 **Practise your times tables (2, 5, 10)**
