| PSED | Communication & Language |
| Children will be encouraged to try new things and explore different areas of the classroom and the resources. They will be encouraged to build relationships through speaking and listening. | The children will be working with others practising speaking and listening skills. They will also be encouraged to use good concentration skills when listening to stories. |
| Physical development | Reading & Writing |
| During P.E, we will be introducing Real P.E which will help develop different skills based on a variety of stories. We will be exploring the outside environment more and continue to work on fine motor development. | During phonics, children will continue to learn new digraph sounds and use them to read and write simple words. Children will be encouraged to form letters correctly and begin to form simple sentences. |
| Understanding of the world | Maths |
| Children will learning about the changes that are happening as we continue to explore the world around us on Welly Walks. They will also be taking part in an outdoor day which will link to the story of the 3 Little Pigs. They will also being to plant seeds to grow. | Children will be encouraged to strengthen their knowledge of numbers to 10 & develop a better understanding of numbers to 20. They will be developing their knowledge of 2D and 3D shapes. |
| Expressive Arts | How to help at home |
| The children will have the chance to explore a range of different materials and media. They will use these to make their own 2D & 3D models. They will explore different movements during our Real P.E sessions and have the opportunity to retell different stories in our story telling role play. | Reading their school reading book as well as the picture books. Practising saying and writing the sounds they are introduced to. Visiting www.phonicsplay.co.uk to practise their phonics. Visiting the library. Counting everyday objects as well as recognising and ordering numbers. |
