

## Year 1 - Spring 1- Homework Grid

Choose one of these things to do once a week as your homework! It would be great to show us what learning you can do at home! Bring it in on a Monday and we will look at it all together during the week.

<p><b>Talking time</b></p> <p>2022 is a new year and some people make <b>New Year's Resolutions</b> to try and get better at something.</p> <p>What are you really good at already? Is there something that you would like to try and improve this year?</p>	<p><b>Castle Art</b></p>  <p>This is Windsor Castle in England. Can you design your own castle, and think about what you might do to keep a royal family protected inside it?</p>	<p><b>Imagine!</b></p> <p>Think about a grand feast at a royal banquet. What would you wear, what would you eat and who you might be sat next to?</p>  <p>Can you make a picture or collage to show some of your ideas?</p>
<p><b>Read all About It!</b></p> <p>Have you got any stories about Kings or Queens, Princes and Princesses? Read one together and tell us about the story, maybe draw a picture or bring in the book.</p> 	<p><b>Do all Queens wear crowns?</b></p> 	<p><b>A Right Royal Investigation</b></p> <p>Can you use books, the internet, and maybe visit the library to research different Kings and Queens? What information can you discover? Did they live in a castle? Who is in their family?</p> 
<p><b>Build it!</b></p> <p>Using lego, wooden bricks or junk modelling, can you build your own palace or castle for a queen to live in? Take a photo and upload it to Seesaw - maybe even make a video explaining how you did it.</p>	<p><b>Mega Maths</b></p> <p>Can you find as many pairs of numbers as you can to make 10? Can you show this in pictures, writing or numbers?</p> <p>Now could you try to 20?</p> 	<p>Try playing the free games on:</p>  <p>at Phase 3, 4 or 5.</p>

# Senses

We have 5 senses; sight, hearing, taste, smell and touch. Can you record what you use your senses for in your house and garden? Or maybe go for a walk and see what you can find using your senses.

Sight 	Hearing 	Touch 
Smell 	Taste 	Which sense do you think is the most important? Why?
