

Isolation Activities for Spring 2 Year 2

This is a list of suggested activities that can be completed if your child is unable to attend school but well enough to complete activities. There is an English, Maths and Topic activity for each day. These are from the Oaks National Academy and each have a small video clip with a teacher giving instructions and explaining a task for the children to do during the video. Don't forget to continue reading at home regularly, both reading to an adult and enjoying books together. On the school's website is an additional list with a range of website you can access for further ideas.

English	Overview	Link	Task
Day 1 To listen and respond to a story	In this lesson, we will be listening to a story and thinking about how the plot works.	https://teachers.thenational.academy/lessons/to-listen-and-respond-to-a-story-6cr66e	Listen to the story about how butterflies came to be. In this lesson you will learn about suffixes, use a plot matrix to pick apart the story and use this to respond to the story.
Day 2 To tell a story from memory	In this lesson, we will be learning to tell the story from memory using a four-step process called, 'Hear, Map, Step, Speak.'	https://teachers.thenational.academy/lessons/to-tell-a-story-from-memory-68v3gc	Use the steps to help you listen, map out the story, step the story and re tell the story from memory
Day 3 To describe using senses	In the lesson we will be exploring our senses through our story and using a sensory grid to create a poem.	https://teachers.thenational.academy/lessons/to-describe-using-senses-6dhkcr	Create your own sense poem by drawing a sensory grid for the opening of the story.
Day 4 To use capital letters for names	In this lesson we will understand when to use a capital letter for names.	https://teachers.thenational.academy/lessons/to-use-capital-letters-for-names-cmt3ee	Learn how to use capital letters correctly for names.
Day 5 To link our reading to our own experience	In this lesson we will look at the creator's bag and think about what we would use to bring joy.	https://teachers.thenational.academy/lessons/to-link-our-reading-to-our-own-experiences-cth68r	Use the 'est' suffix to write sentences about the story. Then use your imagination to create your own bag of joy.

Maths	Numbers within 100		
	Overview	Link	Task
Day 1 To identify the physical properties of coins	In this lesson you will be identifying the properties of coins and beginning to name them.	https://teachers.thenational.academy/lessons/to-identify-the-physical-properties-of-coins-ccrp2c	Listen to the video to help you understand the properties of different coins, including shape and colour.
Day 2 To recognise the value of different coins	In this lesson you will be naming the coins and beginning to know the values they hold.	https://teachers.thenational.academy/lessons/to-recognise-the-value-of-different-coins-part-1-c8t32e	Watch the video to help solve the problems involving money
Day 3 To recognise the value of different coins	In this lesson you will continue to work on naming the coins and the values they hold.	https://teachers.thenational.academy/lessons/to-recognise-the-value-of-different-coins-part-2-6mt68t	Continue practising solving problems involving money and its value.
Day 4 To recognise the value of different coins and notes	In this lesson you will be naming the coins and notes and beginning to know the values they hold.	https://teachers.thenational.academy/lessons/to-recognise-the-value-of-different-coins-and-notes-65j64e	Learn about the value of different notes and coins and use your knowledge to solve problems involving money.
Day 5 To compare different amounts of money	In this lesson you will be comparing amounts of money using coins and notes	https://teachers.thenational.academy/lessons/to-compare-different-amounts-of-money-6gwk8c	Use your knowledge of coins and notes to answer questions and compare different amounts of money

Topic	Geography- Continents		
	Overview	Link	Task
Day 1 What is a continent?	In this lesson we are going to be learning about the seven continents. We are going to learn what a Geographer is and how important they are. We will be looking at the seven continents, comparing their size and location on our planet. We will then be learning all about what the equator is. You will need a piece of paper and a pencil for this lesson	https://teachers.thenational.academy/lessons/what-is-a-continent-c9k32d	Explore what it means to be a geographer and investigate what a continent is. Then use this knowledge to compare their size and location.
Day 2 What is Europe like?	In this lesson we are going to be virtually flying all across Europe, learning more about this continent. We will be learning all about how many people live in Europe, what food you can eat if you visit and what places you would see. You will need a piece of paper and a pencil for this lesson.	https://teachers.thenational.academy/lessons/what-is-europe-like-60r64r	Watch the video to learn about Europe and use your knowledge to answer questions about their food, money, landmarks and other things!
Day 3 What is Africa like?	In this lesson, we are going to be virtually flying to Africa! Today, we are learning more about this huge continent. First, we will be filling our brains with facts about the population and how many countries are in Africa. We will be looking at different foods which are grown in Africa and transported all over the world. Then we will be looking at the interesting animals and landmarks you could see if you visited Africa.	https://teachers.thenational.academy/lessons/what-is-africa-like-cmv38c	Watch the video to learn about Africa and use your knowledge to answer questions about their food, money, landmarks and other things!
Day 4 What is Asia like?	In this lesson we are going to be virtually flying to Asia, which is the largest continent. First we will be filling our brains with facts about the population and how many countries are in Asia. Then we will be	https://teachers.thenational.academy/lessons/what-is-asia-like-c4tpcd	Watch the video to learn about Asia and make a fact file about the animals you learn about

	<p>looking deeper into what the landscape is like, it ranges from rainforests to mountains to plains! There are lots of different animals you could see if you visited parts of Asia, and lots of interesting fruit is also grown in the continent.</p>		
<p>Day 5 What is North America Like?</p>	<p>In this lesson we are going to be virtually flying to North America, which is the third largest continent. First we will be filling our brains with facts about the population and how many countries are in North America. We will be looking at the second largest island which is in North America, called Greenland. There are lots of different languages and animals in the continent, we will be learning all about them. Finally, we will be studying some different places in North America that you might not have heard of before! We will finish this lesson by reading a story about some animals from Africa.</p>	<p>https://teachers.thenational.academy/lessons/what-is-north-america-like-6wv3et</p>	<p>Watch the video to learn about North America and use your knowledge to answer questions about what you have learnt.</p>
