

## Year 4 Summer 1 Homework Grid - Rivers

1) Create a fact file about a river of your choice. Make sure to include a picture!	2) Visit a river near you. Draw/take pictures and label what you see there.	3) Why are rivers important? Write down and explain 3 or more reasons why rivers are important	4) Using an atlas or the internet, find the worlds 10 longest rivers. Write down 3 or facts about each.	5) Write a short story about a river. Maybe there's a monster that comes to life?	6) What animals live on or near a river? Why do they live near a river?
7) Make an informative leaflet telling people how to be safe around rivers.	8) Draw or paint a picture of a river scene. You could use water colours or try a different style of painting	9) Can you think of a word for each letter of the alphabet? Each word must be related to rivers	10) Choose between the River Nile and the River Thames. Write about how it was used in history.	11) Make a poster about a river's journey from the source to the mouth. Label and write an explanation about each stage.	12) Create a quiz about rivers. Try to include different types of questions (eg: true/false, multiple choice, fill the blank, etc)

One piece of learning challenge homework must be completed each week ready to be handed in each **MONDAY**. You can stick it in to your green Home Learning Book. Please feel free to make and create things that cannot be recorded in your book! This homework should take a minimum of 30 minutes and we hope, will be lots of fun. If you would like some resources or ideas to help with your projects, please let you class teacher know. You only need to do one of these every week.

Also remember to:

- Practice your times tables on TT Rockstars
- Practice your spellings – There will be a test every Friday morning
- Read at least 3x a week.
